

ADDENDUM #2

INVITATION TO BID #10-195

SKID MOUNTED RECLAIMED WATER BOOSTER PUMPING STATION

March 8, 2010

- 1) **See revised Section 00300 at the end of this addenda showing bid quantities and descriptions. Additionally, Item number 10 in Section 00300 has been revised to allow for 120 days and not 60 days for construction.**

- 2) **What is the project address for the site?**

The address for the project site is 790 South 11th Street, Lake Wales, Florida.

- 3) **Who is responsible to bring in the three phase power to the site?**

The City is handling the coordination with Progress Energy to bring in 480V-3-Phase Power to the location shown on Sheet C300 within the Construction Plans.

- 4) **Is permission needed to access the site?**

The site is accessible. Access will be needed from the City to enter the fenced area containing the existing lift station.

- 5) **When will approval be given to start the project?**

It is anticipated that the City Commission will select a contractor during their April 6th meeting. Formal authorization to commence work should be available within a few days following that meeting.

- 6) **How will construction water be obtained?**

The address to obtain jumper meter or hydrant meter service is 201 W Central Ave.

There will be a construction meter fee. For all construction or other temporary water service installation, the deposit shall be four hundred seventy dollars and fifty cents (\$470.50). All construction meters or other temporary water service installation will be billed a flat fee of two dollars (\$2.00) per day for use of the meter. Once project is completed the deposit will be returned in full, if no damages occur to device.

- 7) **Can we utilize Reuse water for Construction?**

At this time the City's Reuse water is under a draft permit with FDEP and we are unable to utilize reuse water at reuse booster station site, the expected date to release reuse water is the week of March 15th. Once the reuse water is issued for use by FDEP then the contractor can utilize the water for pressure testing, pump start-up, etc. by utilizing a jumper meter.

SECTION 00300

BID FORM

1. The undersigned Bidder does hereby declare that he has carefully examined the Invitation to Bid, the Plans, and drawings and the Contract Documents and Specifications relating to the above entitled matter and the work, and has also examined the site.
2. The undersigned Bidder hereby declares that he has based his proposal on the conditions as they exist on site and has noted all items of work required of the project that is not illustrated on the plans.
3. The undersigned does hereby offer and agree to furnish all materials, to fully and faithfully construct, perform and execute all work in the above titled matter in accordance with the Plans, Drawings and Specifications relating thereto.
4. The undersigned does hereby declare that the prices so stated cover all expenses of every kind incidental to the completion of said work, and the contract therefore, including all claims that may arise through damages or any other causes whatsoever.
5. The undersigned does hereby declare and agree that he will accept the following lump sum prices for the various items of the work for additions to or deductions from the approximate quantities.
6. The undersigned does hereby declare that he shall make no claim on account of minor variation of the approximate estimate in the QUANTITIES or work to be done, nor on account of any misunderstanding or misconception of the nature of the work to be done or the grounds or place where it is to be done.
7. The undersigned does also declare and agree that he will commence the work within ten (10) days after notification by the ENGINEER to do so and will complete the work fully and in every respect on or before the time specified in said contract.
8. The undersigned further agrees that the UNIT PRICES submitted on the Bid Form shall govern all errors in extension or addition and shall void the total base bid submitted on the attached sheet. The corrected extension and addition of all items shall be considered to be the correct base bid for comparison purposes.
9. The undersigned further agrees that the UNIT PRICES submitted on the Bid Form will expire if a contract is not executed within ninety (90) days from the date of bid deadline, and that the Contractor will be fully released from any obligations of this Bid Form.
10. The undersigned agrees that this bid is based on substantially completing the project within one hundred and twenty (120) calendar days from the date of Notice To Proceed. The Contractor further agrees to pay, as liquidated damages, the sum of two-hundred (\$200) dollars for each consecutive calendar day thereafter.

11. The Bidder acknowledges having received the following project addenda:

No. 1, Date: March 4, 2010

No. 2, Date: March 8, 2010

No. _____, Date:

12. By submission of this bid, each bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, that this bid has been arrived at independently, without consultation, communication or agreement as to any matter relating to this bid with any other bidder or with any competitor.

Item	Description	Quantity	Unit	Unit Price	Amount
1	Mobilization	1	L.S.		
2	Survey and Layout	1	L.S.		
3	Compaction Testing	1	L.S.		
4	8" PVC Reclaimed Water Main	280	L.F.		
5	8" MJ Tee with Restraints	2	Each		
6	8" MJ Bends with Restraints	6	Each
